Fully Customized Gift Boxes

If you're looking for something different from the pre-curated collection, we'll create gifts to match your vision, budget, and brand

Step One.

Connect & Proposal

We can't wait to discuss your ideas for your gifts. After connecting, we'll craft a personalized proposal showcasing product and packaging concepts with all-inclusive pricing, as well as estimated timelines. Based on your feedback, we'll refine your proposal until we land on the perfect gift.

Step Two.

Production

Once your design is finalized we will send over the invoice, and once paid we will begin ordering your products and branded elements. Timelines will vary depending on the level of customization.

Step Three.

Fulfillment

We offer the flexibility to bulk ship to a single location, or directly to individual recipients based on your address list. We manage all shipping and logistics, and you'll receive tracking numbers for each shipment.

BASKETS & BLOOMS

Your Brand Front and Center

Adding your logo and colors not only boosts brand recognition, but also creates a lasting impression on clients and partners. It's a simple way to make your gifts stand out and reinforce your brand long after the gift is received.
